## S3 Priorities as Encoded in the "Eye@RIS3" Tool

Description	Capabilities	Target Markets	EU Priorities
Sustainable energy	<ol style="list-style-type: none"> <li>1. Energy production &amp; distribution</li> <li>2. Power generation/renewable sources</li> </ol>	<ol style="list-style-type: none"> <li>1. Energy production &amp; distribution</li> <li>2. Energy distribution</li> </ol>	<ol style="list-style-type: none"> <li>1. Sustainable innovation</li> <li>2. Sustainable energy &amp; renewables</li> </ol>
Sustainable transportation	<ol style="list-style-type: none"> <li>1. Transporting &amp; storage</li> </ol>	<ol style="list-style-type: none"> <li>1. Transporting &amp; storage</li> </ol>	<ol style="list-style-type: none"> <li>1. Sustainable innovation</li> <li>2. Smart green &amp; integrated transport systems</li> </ol>
Biosciences	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Biotechnology</li> </ol>	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Biotechnology</li> </ol>	<ol style="list-style-type: none"> <li>1. KETs</li> <li>2. Industrial biotechnology</li> </ol>
Ageing society	<ol style="list-style-type: none"> <li>1. Human health &amp; social work activities</li> <li>2. Human health activities (medical services)</li> </ol>	<ol style="list-style-type: none"> <li>1. Human health &amp; social work activities</li> <li>2. Human health activities (medical services)</li> </ol>	<ol style="list-style-type: none"> <li>1. Public health &amp; security</li> <li>2. Ageing societies</li> </ol>

Nano technology	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Nanotechnology &amp; engineering</li> </ol>	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Nanotechnology &amp; engineering</li> </ol>	<ol style="list-style-type: none"> <li>1. KETs</li> <li>2. Nanotechnology</li> </ol>
Advanced manufacturing	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Other manufacturing</li> </ol>	<ol style="list-style-type: none"> <li>1. Manufacturing &amp; industry</li> <li>2. Other manufacturing</li> </ol>	<ol style="list-style-type: none"> <li>1. KETs</li> <li>2. Advanced manufacturing systems</li> </ol>
Science industry	<ol style="list-style-type: none"> <li>1. Services</li> <li>2. Scientific research &amp; development</li> </ol>	<ol style="list-style-type: none"> <li>1. Services</li> <li>2. Scientific research &amp; development</li> </ol>	<ol style="list-style-type: none"> <li>1. Service innovation</li> </ol>
ICT	<ol style="list-style-type: none"> <li>1. Information &amp; communication technologies (ICT)</li> </ol>	<ol style="list-style-type: none"> <li>1. Information &amp; communication technologies (ICT)</li> </ol>	<ol style="list-style-type: none"> <li>1. Digital Agenda</li> </ol>
